STATEMENT BY MAYOR DAVID L. JORDAN

Our Town Manager, Stefanie McAlister, informed me yesterday of her decision to retire from public service. To be clear, this was Stefanie's decision; no one asked her to leave. Stefanie worked hard over the last six months to serve the Town and accomplished a great deal during her tenure. The Town regrets her departure, thanks her for her service, and wishes her well in her future endeavors.

The Town Council will shortly begin discussions about the process of finding our next Town Manager, and will also consider what options are available to provide support for our hardworking Town staff on an interim basis. We will update the public as the Council makes decisions on these matters.
